**Login Page (only log in from accolite account)**

try to Login other than accolite account

Once Login we reach the Home page where we can select a different menu. (in our case we select onboard)

After clicking on the onboard, jump to onboard Dashboard

From here we can search the data on the basis of options present on the dropdown menu, create newly onboarded, see the trends view onboardee make update onboarded edit onboarded and delete onboarded

Once we click on the view we reached this page
